

Awesome tidbits from Fr. Rey

23rd Week in Ordinary Time
September 10-16, 2023

SHOUT OUT TO...

...the **organizers and volunteers** for a successful celebration of Our Lady of Velankanni yesterday, September 9th. It was an honor and a privilege to have celebrated the Mass with our community honoring our Lady. May we continue our devotion to our Lady as we follow in the footsteps of Christ. To our Indian brothers and sisters...you are all awesome 😊.

... our **parish staff** for assisting this year's "Diocesan Welcoming and Commissioning" of the Department of Evangelization of the diocese. Every year the diocese hosts this event for parish catechetical leaders. Blessed are we for the opportunity to serve our fellow workers of the vineyard. Parish staff...you are awesome!

- **Rite of Welcome.** This Sunday at the 10:00 am Mass, we will welcome our children who will be at the First Communion class. We are blessed to have them this year. As a family, please keep them in your prayers.
- **Second Collection.** This weekend we will have the opportunity to help our brothers and sisters in Maui, Hawaii who were affected by the wild fire last month. Next week, our second collection will go to the Catholic Education Fund that will support those who would like to have their children educated in the Catholic school but are finding it financially challenging. Grateful for your awesome generosity!

- Save the date.
